

# SWELL

156 | 160 | 164

**SURFER'S CHOICE** - Our big-mountain gun that lives for the steep and deep, but still holds it's own in variable and in-bounds conditions.

A deep-pow explorer designed for the surfers of the mountains, the SWELL is a surf-inspired shape that fuses form and function. Seen riding steep couloirs, exposed spines and chest-deep stashes, the Swell is optimized for the ultimate ride.

△ **RADICAL SIDECUT** - surfy blend of radial & progressive △

△ **HALFcamber60** - 60% cambered deck △
